A hand-drawn sketch of a mobile application interface, likely a login or registration screen. The interface is contained within a rounded rectangular frame representing a smartphone. At the top center of the frame is a small horizontal oval, representing a camera or sensor. Below this, in the upper-middle section, is a square icon with an 'X' inside, possibly representing a missing image or a placeholder for a profile picture. Below the icon are five text input fields, each with a label to its left and a horizontal line for text entry. The labels are 'Email', 'Usuário', 'Senha', 'Nome do webSite', and 'WebSite'. At the bottom center of the screen is a rectangular button with the word 'Salvar' (Save) written on it.
